

**Parent/Guardian Workshop Series presented by
Open Doors for Multicultural Families &
Seattle School District**

For parents of students receiving Special Education services

- Who is eligible for special education?
- What type of information is included in an IEP?
- Who develops my child's IEP?
- How do I find out if my child is eligible? What is next?
- What happens during an evaluation?
- How does the school collect this information?

As a parent of a child with special needs you may have asked these questions, and the answers did not satisfy you. Join us for an opportunity to get answers to many of your questions from a professional in this area; OEO staff (Office of the Education Ombuds) will provide basic information about IEP and Evaluations.

~~~~~

**Wednesday, Jan. 11th, 2017 6-8 p.m.**
